Waste Oil Bin Collection Contract

This agreement will serve as a contract between Wholesome Energy, LLC and the below named customer to pick up waste cooking oil from the location in collection bins.

Wholesome Energy will perform the following services:

- Pick up waste oil at a mutually agreed upon time.

The customer will:

- Notify when the bin is $\frac{3}{4}$ full to schedule a pick up.
- Keep collection bin locked to avoid theft.
- Put only waste cooking oil in bin (no detergents, food, motor oils, etc.).

The waste oil collection bin will remain the property of Wholesome Energy and in the event it is stolen, the customer will pay the full replacement cost.

This contract will remain in force unless terminated by mutual agreement of both parties.
